

Come Join Ready for Life Summer Camp

as we

*learn about things made in
Michigan!*

This summer come join other friends with intellectual disabilities, ages 14+, as we learn about things made in Michigan. Each week campers will have the opportunity to discover different Michigan made products and experience Michigan culture through exploration of nature. Campers will visit various places in Michigan, make Michigan crafts, and taste Michigan food.

To register go to rflnetwork.org/summercamp/ and complete an application. Please register by no later than May 1, 2019. We have a capacity of 15 students/week.
